Making everyone feel at home...

RESIDENTIAL CARE

Residential Living Solutions, Inc. (RLS) maintains adult and transitional youth foster care homes in various locations. These foster care homes provide home and community based waiver services for the mentally ill adults and adolescents who are authorized by waivers, aid funds or have health insurance or are private pay.

RLS focuses on 5 different MI populations.

- * **High Behavior MI Adult**
- * **Corrections**
- * **Veterans**
- * **TBI (Traumatic Brain Injury)**
- * **Teens in Transition**

We can also provide Crisis and Respite services.

Our primary goal is to help our clients live as independently as possible in an RLS home of their choice, within the necessary guidelines, as determined by their diagnoses and specific needs. RLS offers a broad range of services that work to provide a positive support system for each client's goals, hopes, and dreams. We encourage growth and are always exploring new ways to better serve our clients.

RLS firmly believes that with the right supports, these individuals can live successfully in the community setting we provide for them.

MISSION STATEMENT:

**RLS IS ALWAYS
"MAKING EVERYONE
FEEL AT HOME".
WE PROVIDE AN INNOVA-
TIVE, SUPPORTIVE RESI-
DENTIAL SETTING FOR
INDIVIDUALS WHO HAVE
BEEN DIAGNOSED WITH A
MENTAL ILLNESS.**

Vision:

Residential Living Solutions reinforces positive change in their relationships through guidance, support and the opportunity for further education.

RLS believes Mental Illness is only a small piece of who we are, not a reflection of ourselves. Our character, the sum total of who we are, is defined by what we do with the life, skills and opportunities we have.

We want to help you feel at home...
